

Where Is My Little Lamb

Where is my little lamb, under skies of blue?
Where is my little lamb, under skies of blue?
She's with her mother, The one we call the Ewe.

Where is my little lamb, standing in the sand?
Where is my little lamb, standing in the sand?
She's with her father, the one we call the Ram.

(CHORUS)

**A baby lamb --grows up to be a sheep
Like you and me... We'll grow into our feet!**

Where is my little lamb, her fleece is white as snow
Where is my little lamb, her fleece is white as snow
She's eating all the grass so dad won't need to mow!

Where is my little lamb, she's growing all the time
Where is my little lamb, she's growing all the time
Someday my little lamb will show me how to climb

(CHORUS)

**A baby lamb --grows up to be a sheep
Like you and me... We'll grow into our feet!**

Where is my little lamb, she's now a lady sheep
Where is my little lamb, she's now a lady sheep
I wonder if I'm dreaming ...cuz I am fast asleep

Yes, I wonder if I'm dreaming...cuz I am fast asleep

Bah, Bah, Black Sheep have you any wool
Yes Sir, Yes Sir... You can see I'm full!
