LESSON PLAN NINE**

Accompanying Songs from CD: "Family Farm" and "Traveling Home"

Activity: Relaxation

Skills: Teach learning and relaxation through listening

Grade Level: Kindergarten through third grade

Objectives: Have students realize the importance of listening in learning.

Time Required: 10 minutes.

Group size: Classroom

Materials Needed: CD player

Procedure: Have students listen to "Family Farm" to hear the difference between a typical day in a farm life compared to a town life. Have students know the feeling of being quiet in traveling on a school bus to view the beautiful views all around them.

Evaluation: Ask the students to feel their pulse before this song and after it is over. Ah...relaxation for both teacher and students!
